HONDA

“Thank you very much to M Harvest for customizing the training. We learnt a lot on the risk of chemical spillage, correct way to handle chemical, rules and regulations of CHRA.

Honda Autoparts Manufacturing Sdn. Bhd - [Safe Handling of Chemical](#)

Yes, I am able to coach my subordinate by using action plan. After few series of coaching sessions, learnt how to lead my team to achieve KPI (without quality issue), I have achieved the target for 3 months! I become more listening to others. Increase my work efficiency, reduced my stress and boosts my strength, more confident now!

Daibochi Bhd - [Coaching Development](#)

Highly informative! We learnt to understand a problem, analyses systematically with the application of 7 Advance QC tools. This workshop really helps us to generate new ideas & formulate effective plans in solving problems.
